

This PDF file represents the size of a full page ad for Industrial Launderer Magazine. Application files should be created as 8.375" x 10.875".

PDF files should be submitted **8.625" x 11.125"**. This can be accomplished by setting the paper size in the print dialog box, of your application program, to this custom size. Some application programs also require a bleed value, which should be set to .125" and the option of "Center on Paper" should be selected.

All crop and registration marks should be turned off.
